**DETAILED ACTION**

***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest the combination and relationship between these features: a method and system with primary and secondary storage for storing first data in the primary storage prior to time T0 and second data in the secondary storage after T0, and a restoration switch for disregarding the second data and a reconcile switch for establishing a new T0.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mehdi Namazi whose telephone number is 571-272-4209. The examiner can normally be reached on Monday-Friday 8:30-5:00.
